## CONVERSATION

### The Church Spoke Boldly

**ACTS 4:1-31; 5:12-32**

Peter and John were preaching to the people. Many people believed and now there were about 5,000 men who believed in Jesus. The priests were so angry they put Peter and John in jail.

Peter and John were called before the high priest, Annas, and other leaders. The priest asked how the men could teach with such authority. The Holy Spirit spoke through Peter, and Peter said, "Jesus is the only One who can save people. We must be saved through Him."

The high priest and other leaders were astonished and told Peter and John to quit telling the people about Jesus. Peter and John said that they could not stop talking about Jesus. The leaders released Peter and John to go back to their people.

The people prayed for Peter and John. Soon, the Holy Spirit came to all of them, and they boldly began telling others about Jesus.

More and more people believed the great news of Jesus! People began to bring their sick friends and relatives to see the men. All of the people who saw Peter and John were healed.

The priests were once again so angered about Peter and John's preaching that they put several apostles back in jail. Amazingly, an angel of the Lord opened the prison door and told them to go and speak in the temple. The high priests called Peter and the apostles again and questioned them. Peter again said, "We are witnesses of these things, and so is the Holy Spirit whom God has given to those that obey Him."
